PRESIDENT ROBAK: LB 1121 advances. Senator Dierks announces that the following guests are visiting the Legislature, the Northeast Nebraska Resources and Renewal Program has a group visiting from Holt, Knox, Cedar, Dakota, Antelope, Pierce, and Dixon Counties. They are in the north balcony. Will you all stand and be recognized please. Welcome to the Unicameral. LB 1007.

ASSISTANT CLERK: LB 1007 was introduced by Senator Landis. (Read title.) The bill was read for the first time on January 4. It was referred to the Urban Affairs Committee. That committee reports the bill to General File with no committee amendments.

PRESIDENT ROBAK: The Chair recognizes Senator Landis to open on the bill.

SENATOR LANDIS: Thank you, Madam President, members of the Legislature. The Urban Affairs Committee advanced this bill unanimously. It removes archaic language that was put into the statutes before 1922. What it says, the statute now reads that assistant or deputy treasurers in a city of our class will be paid twelve hundred dollars per annum, that's it. So, as you can imagine, the twelve hundred dollar per annum salary for a deputy treasurer doesn't work, we simply strike the number and allow it to be set by ordinance, just like we do any other salary. Talk about your minimum wage law, this is it. I would urge the adoption of 1007.

PRESIDENT ROBAK: Is there any discussion on the advancement of LB 1007? Seeing none, Senator Landis to close. Closing is waived. The question before you is the advancement of LB 1007. All those in favor vote aye; all those opposed vote nay. Have you all voted? Please record.
